About PTH

Porto Tech Hub is a not-for-profit association of leading technology companies dedicated to transforming Porto into a globally recognized hub for technological excellence and innovation.

Founded in 2015 by pioneering tech companies with deep roots in Porto, we unite businesses, talent, and ideas to celebrate the transformative power of technology.

Manifesto

We ensure Porto is a leading hub for excellence and innovation. We believe that people are a unique source of talent, creativity and passion. We nurture each of our talents through a strong community that shares ideas.

We have state-of-art technologies embedded in our genetic code. We live in a place where technology, work and lifestyle choices come together in perfect harmony.

Who are we?

But we are not alone...

Values defined for 2025, subject to annual update at the General Assembly.

A large crowd of people is gathered in a spacious, historic hall with white stone walls and arched windows. The room is filled with attendees, many of whom are wearing lanyards and backpacks, suggesting a tech conference or networking event. In the background, a large screen displays the 'Porto TechHub' logo and a grid of logos. The overall atmosphere is busy and professional.
