About PTH

Porto Tech Hub is a not-for-profit association of leading technology companies dedicated to transforming Porto into a globally recognized hub for technological excellence and innovation.

Founded in 2015 by pioneering tech companies with deep roots in Porto, we unite businesses, talent, and ideas to celebrate the transformative power of technology.

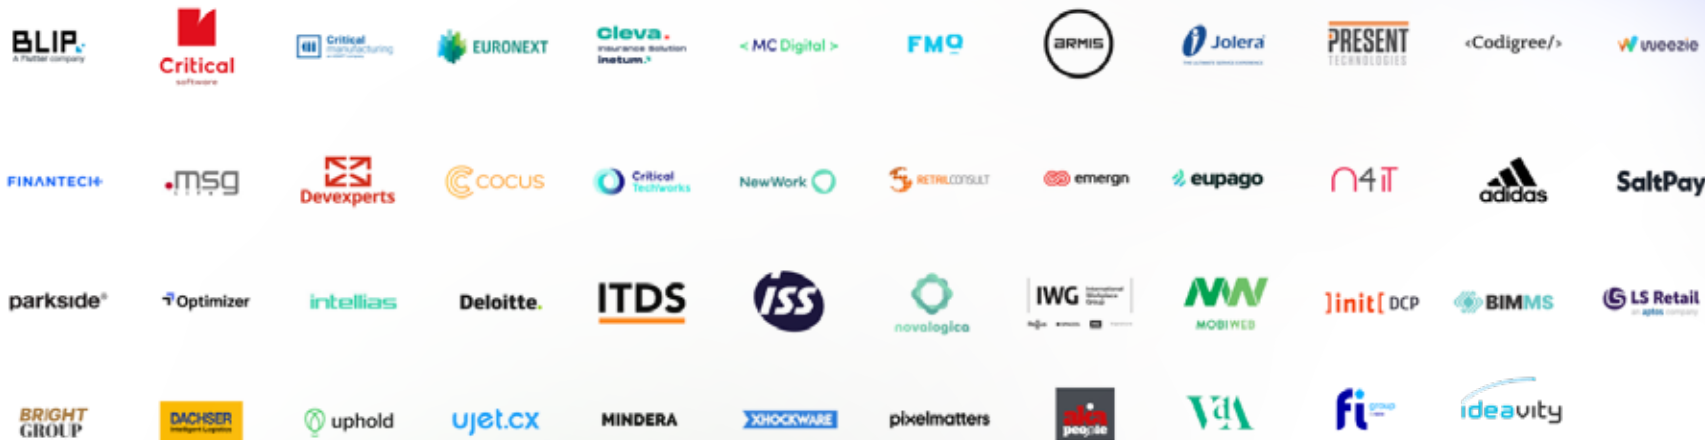

Manifesto

We ensure Porto is a leading hub for excellence and innovation. We believe that people are a unique source of talent, creativity and passion. We nurture each of our talents through a strong community that shares ideas.

We have state-of-art technologies embedded in our genetic code. We live in a place where technology, work and lifestyle choices come together in perfect harmony.

Admission Criteria

- Alignment with the Mission and Principles of the Manifesto
- Formal acceptance and subscription to the statutes and regulations governing the use of the Porto Tech Hub brand
- Designation of a representative by the associate at Porto Tech Hub
- Active and proactive engagement of the Associate in advancing the Association's objectives

Formalisation

The official incorporation of a new Associate is confirmed through a formal commitment, marked by the payment of the initial admission fee and the annual membership fee.

Values defined for 2026, subject to annual update at the General Assembly.

A large crowd of people is gathered in a spacious, historic hall with white stone walls and arched windows. The room is filled with attendees, many wearing lanyards, engaged in conversations or standing near small tables. In the background, a large green screen displays the 'Porto TechHub' logo and a grid of various tech-related icons. The overall atmosphere is vibrant and professional.
